It's Christmas!

Dear All

I would like to thank all the children for being so well behaved and wish them a fun and exciting Christmas and hope that Santa will bring them lots of lovely gifts.

As a reminder the school term ends on Friday 22nd December this year and would like to also remind you that the schools tend to close early on the last day of term. Could you please confirm what time your school will be closing and let me know should I be required to collect your child(ren) from school on that day. The new term starts on the 5th January 2009.

Christmas is fast approaching, I would appreciate it very much if you could let me know your work commitments for the Christmas Holiday period so that I can organise my diary as to whom will or will not be attending and to organise activities.

We are now heading into winter and the weather is wet more often than not. I would like to ask you to provide a change of warm clothing for your child(ren), a pair of wellies and waterproof jacket; at the first opportunity your children will be playing out in the snow if and when it arrives.

With the potential of this winter being worse than last year I have to take into consideration that some schools may close due to adverse weather conditions. Please ensure your school has my contact details should this happen so that I can collect and/or care for your child(ren) if necessary.

I would like to take this opportunity in thanking you for your continued support and wish you all a very Merry Christmas and a prosperous New Year.

Merry
Christmas

Regards

Katrina
